### RECOMMENDED READING

2021 by Andrea Elliott. This is an astonishing story about the power of resilience, the importance of family and the cost of inequality-told through the crucible of one remarkable girl. This book takes on poverty, homelessness, racism, addiction, hunger and more as they shape the lives on one girl and her family.

## NEW ADVOCATE SPOTLIGHT

### ALEXA WILLIAMS

Originally from Carmi, Illinois, Alexa moved to Boonville in 2020. She loves to travel, going to concerts, as well as spending time with her husband and little

sister through the Big Brothers Big Sisters program.

Alexa has been an RN for 12 years and a Nurse Practitioner for 1.5 years. She says being a nurse has made her love advocating for people who need and deserve someone to help express their wants and needs, especially

when they are unable to. She also loves to meet new people and familiarize herself with different cultures and backgrounds. When asked what she is most excited

about now that she is a CASA, Alexa said, "I am most excited to try something new and meet new people, all while advocating for children in my county."

## ELITE ADVOCATE SPOTLIGHT

### CHERYL ROETHEMEIER

Cheryl is from Evansville, Indiana, and has been with CASA for 7 years! She enjoys cooking and baking, traveling, swimming, and is a member of her church's choir, and Porche Club. Cheryl has been married to Mark for 45 years. She has two grown sons, Nick and Matt, a daughter-in-law, Annie, and a grandson named Harvey who is almost six years old. She takes her role as a CASA seriously, and tries to help in every case she can. She has a paralegal degree and worked around people and legal matters until she had a liver and kidney transplant and could no longer work fulltime. This motivated Cheryl to

become a CASA, allowing her to give back by helping families and kids.

She finds the most rewarding part of being a CASA is seeing families make strides to improve their lives. She has had cases where big improvements were made and a few where she might have planted a tiny seed for change.

Advice Cheryl has for new advocates is, "You won't make an impact on every case, just plant a seed that might come back to them as they mature or are forced to evaluate their lives. Other cases will bring you joy and satisfaction that you could be a part of their accomplishments."
