January 22nd Third Sunday in Ordinary Time

GOD'S LOVING CARE

Two readings today refer to the northeast region of ancient Israel: "the land of Zebulun and the land of Naphtali." Upon hearing these names, some of us might consult maps and determine exactly where these regions lie. Others might let the unfamiliar names drift by unnoticed. If no maps are handy—but we don't want to ignore the references completely—consider this: we might not know the latitude and longitude of Zebulun and Naphtali, but God does. We praise God for watching over every inch of land and sea, caring perfectly for each creature on the planet. While Isaiah celebrates the depth of God's care with "abundant joy and great rejoicing," Saint Paul begs us to remember how the Lord shows this loving care: through the cross. In today's Gospel, Jesus calls Peter, James, and John to follow him. We follow too, confident that God accompanies us, wherever we are.

CATHOLIC PRAYER CORNER

Respect for Life Prayer

O God, our eyes behold the beauty of your creation, and our ears catch the sounds of your power. We hold our lives sacred because they are your gift. Bring us to greater awareness of the sanctity of human life and to sorrow for the times we have ignored or offended it. We ask this through Christ our Lord. Amen.

January 22nd Third Sunday in Ordinary Time

For public servants and elected officials:

May God grant them the humility, wisdom, and courage to defend all human life;

We pray to the Lord:

Catholic Schools Week – 2023 – Walking Together in
Faith & Love

Since 1974, National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2023 is January 29 – February 4.

The theme for National Catholic Schools Week 2023 is "Catholic Schools: Faith. Excellence. Service." Schools typically observe the annual celebration week with Masses, open houses and other activities for students, families, parishioners and community members. Through these events, schools focus on the value Catholic education provides to young people and its contributions to our church, our communities and our nation.
