

ALTAR SERVERS

Our Mission
In our Catholic tradition, it has always been a great honor and privilege to be a server. As a server, you help the priest lead the people in the most important prayer that Jesus gave us—the Mass! Because your position is so important, you are called to be a model of active participation in the Mass. This means that you need to join the congregation in the prayer responses and singing, in addition to the duties of serving at the Altar.

Serving Mass also means being a representative of the young people of our parish. Therefore, you must also model respect and prayerfulness, both when you serve and when you are out in public.

Our Target Audience for Altar Servers
- Those who desire to support our priests & the Mass
- Those who remain reverent and hospitable in church
- Must follow all Altar Server guidelines
- Must be a practicing Catholic in 5th grade or above

How To Get Involved
- Connect with Dennis Johns and/or Abbie Spillis to speak about your desire to become an altar server

Ministry Point Persons

Dennis Johns, Director of Music & Liturgy
