

CHILDREN'S RELIGIOUS EDUCATION

Our Mission
To form children in the Catholic faith and help them learn to recognize God in their daily experiences amid life's challenges. We also serve to develop a relationship with Jesus Christ and become instruments of God's grace in their neighborhoods, communities, and the world.

What We Do
- Support Catholic families and students enrolled in the religious education program who want their children to grow up in the Catholic faith

Our Target Audience For Participants
- Catholic families with children enrolled in a public school system or homeschool who want their children to grow in the Catholic faith and receive the Sacraments of Reconciliation, First Holy Communion, and Confirmation

Our Target Audience For Volunteers
- Those ages 18+ who are practicing Catholics in good standing, attend Mass weekly, enjoy working with kids, and are willing to volunteer on Sundays from 10:30 a.m. - 11:45 a.m.
- Catechists must complete Virtus online training and a background check
- Classes are in the St. Joseph School from mid-September to Palm Sunday

Our Ministry's Greatest Needs
- Volunteers committed to educating students enrolled in Religious Education about the Catholic Church, the power of prayer, love of the Trinity, and loving our neighbors as ourselves
- Catechists who are invested in educating students about their personal relationship with the Trinity, while following a curriculum that includes prayer, small groups, testimony, and theology

How To Get Involved
- Contact Angie Ash, Direct of Religious Education
