

FAITH IN FIBERS

Our Mission
To bring God's love and healing grace to others through a tangible gift of a prayer square, blanket, or shawl. Gifts are prayed over while being crafted, are blessed, and also serve as a reminder of the community's prayers for the recipient.

What We Do
- Create prayer squares for new parishioners, OCIA members, and those who receive the Anointing of the Sick
- Provide blankets for baptisms
- As we grow, we hope to provide blankets and shawls for other needs, such as those needing comfort from a loss, celebrating the Sacrament of Marriage, and other special occasions for those in our faith community

Our Target Audience For Volunteers
- Anyone of any age is welcome to join in our fellowship and crafting

Our Ministry's Greatest Needs
- Yarn (even if they are scrap ends)
- Needles for both knitting and crocheting
- Monetary donations are always welcome

How To Get Involved
- Faith in Fibers meetings are scheduled once a month to every six weeks
- Reach out to Sharon Essig for meeting information, or look for an ad in the bulletin
