

FUNERAL COORDINATOR

Our Mission
The Funeral Coordinator's role is to support the priest and St. Joe's staff members when funeral Masses are planned. Funeral Coordinators serve by being hospitable, welcoming parishioners/visitors to the funeral, and preparing the church for Mass. They minister in conjunction with St. Joe's staff, who are also present to support families and guests in attendance.

What We Do (about a 2-hour commitment)
- Greet people as they come into church
- Set up the church (specific funeral duties and also prepare Communion for Mass)
- Distribute Communion if needed
- Clean up after the funeral Mass

Our Target Audience For Volunteers
- Retired and/or flexible Catholic who is able to be sensitive, hospitable, and reverent during a funeral Mass

How To Get Involved
- Connect with Dennis Johns or Abbie Spillis to set up a meeting about becoming a funeral coordinator
