

HOMESCHOOL GROUP

Our Mission
To help build holy families through fellowship and living life liturgically. We create a space for Catholic families who traditionally homeschool their children to come together in fellowship.

What We Do
- Meet once a month during the school year to pray together, share a meal, and participate in a teaching/activity centered around the liturgical calendar while also serving together and building friendships
- Meetings typically include First Friday 8:00 a.m. Mass at St. Joseph Maumee, followed by a potluck breakfast in the Lower Level of the church
  - One or two families prepare a short teaching and activity centered on a saint's feast day or the liturgical season
  - After closing prayer and clean up, if the weather is nice, the group heads to SideCut metropark
  - One or two meetings a year involve a service project

Our Target Audience For Participants
- Catholic homeschooling families from St. Joseph Parish Maumee

Our Ministry's Greatest Needs
- Opportunities for service projects that are:
  - Appropriate for children/families
  - Convenient to homeschooling parents
  - Near or at St. Joe's
  - Preferably able to complete on a Friday morning

How To Get Involved
- Contact Libby McCartney to see if our group would be a good addition to your homeschooling year
