

MAINTENANCE COMMITTEE

Our Mission
We are dedicated to preserving and enhancing the safety, functionality, and appearance of our shared spaces and campuses through proactive, hands-on service. We assist with maintenance of the church, school, rectory, convent, Ministry Center, and cemetery.

We also support the long-term care of our community facilities and grounds by coordinating and performing essential maintenance tasks, fostering pride in our ministry spaces, and promoting a spirit of stewardship and volunteerism among all parishioners, guests, and the community.

Our Target Audience for Volunteers
- Those with general mechanical knowledge, handy work experience, and the trades if possible
- Physical labor experience is not necessarily needed, but is welcomed
- Those who can provide knowledge, expertise, best practices, and contacts relating to project management
- Those with a strong work ethic and willingness to learn how to fix 'typical' repairs

Our Ministry's Greatest Needs
- Younger volunteers willing to assist with the physical labor aspect of our ministry
