

HOMESCHOOL GROUP

Mission

To help build holy families through fellowship and living the liturgical life. We are Catholic families who homeschool our children and meet once a month during the school year to pray together, share a meal, and participate in a teaching/activity centered around the liturgical calendar, while we serve together, and build friendships.

Our meetings typically include First Friday 8:00 a.m. Mass at St. Joseph Maumee, followed by a potluck breakfast in the Lower Level of the Church. 1-2 families will prepare a short teaching and activity centered on a Saint's feast day, or the liturgical season. (We will also have one or two meetings a year involving a service project.) After closing prayer and clean up, if the weather is nice, we go to Side Cut Park.

What Does Your Committee Provide

Catholic fellowship for homeschooling families.

Who Is Your Target Audience For Participants

Catholic homeschooling families from our parish.

What Are The Ministry's Greatest Needs

Opportunities for service projects that would be appropriate for children/families and that would be convenient to homeschooling parents, near or at St. Joe's, and preferably able to be completed on a Friday morning.

How To Get Involved

Contact us to see if our group would be a good addition to your homeschooling year!
