

## KNIGHTS OF COLUMBUS

ST. JOSEPH'S CHAPTER #11370

# Knights of Columbus®

### Mission

Together, we're empowering Catholic men to live their faith at home, in their parish, at work, and in their community.

### What does your ministry provide?

Charity is the heart of what we do and always has been. We put our faith into action through programs in the areas of Faith, Family, Life, and Community. Programs we lead include the annual March for Life, food collections for the poor, weekly delivery of food to the poor, and support for Off the Streets. We have fundraisers to provide financial support for our \$80,000 commitment to the Going Big for Christ Campaign, our significant financial contributions to Off the Streets, and contributions to various other school and church activities. Members also have access to very competitive Knights of Columbus life insurance.

### Who is your target audience to serve?

Our members are men 18 years and older. We support programs for our Saint Joseph Maumee parish and community.

### Who is your target audience for volunteers?

We welcome all Catholic men 18 years or older who want to actively put their faith into action.

### What are your ministry's greatest needs?

Men who want to put their faith into action.
