

# OFF THE STREETS TOLEDO

## Mission

Our Mission is to help homeless people get Off the Streets

## What does your ministry provide?

We provide partial or full security deposits, furnishings, and basic home goods for people who don't have a home but have a means to pay ongoing rent. The neighbors we help are referred to us by other social service agencies, including Catholic Charities, St. Vincent de Paul and 30 other agencies.

## Who is your target audience to serve?

People who are homeless in the Diocese of Toledo who have a means to pay ongoing rent.

## Who is your target audience for volunteers?

\*Warehouse team - This team helps keep the warehouse organized, helps procure needed items, and identifies what items will be delivered to the neighbors we serve.

\*Household goods team - The team organizes and creates cookware sets, tableware sets, sheet sets, and blanket sets.

\*Delivery Captains - These team members drive the truck and lead the deliveries on Saturdays
