

SMALL FAITH GROUPS

Mission

At St. Joe's, we desire to form a community of faithful Catholics, striving to follow Jesus side by side with one another. To do that in an intentional way, we would invite you to join one of our Faith Sharing Small Groups. These groups meet on a regular basis, in people's homes or on the parish campus, and typically consist of eight to twelve people.

What Does a Small Group Provide

A community of likeminded individuals who support each other in their faith journey through prayer, relationship and accountability, all the while growing closer to Jesus

Who Is Your Target Audience For Participants

Any adult 18 and over looking to connect with a small group of faithful Catholics, with varying group dynamics: single-sex, young adult, married couples, etc.

Who Is Your Target Audience For Facilitators

We are always looking for facilitators who can help host and organize a small group. We can offer guidance and instruction along the way.
