

WEDDING COORDINATOR

Mission

To support our couples who desire to get married at St. Joe's. We show hospitality and love to them as they prepare for the sacrament of matrimony. We open hearts and minds to the Catholic faith and are a welcoming point person for couples and guests.

What Does Your Committee Provide

Coordinators minister and support engaged couples and their families as they encounter our parish for:

Wedding Rehearsals
Weddings

We guide the couple with support and structure for the time they are on property for their wedding. Couples may not both be Catholic so the mission is to show hospitality and love to all who encounter our parish.

We also support Father and Deacon with ensuring the wedding goes smoothly.

Who Is Your Target Audience For Volunteers

Adults or Young Adults with a good, strong, expressive speaking voice who can minister and manage groups of people when they come for wedding rehearsals and weddings.

How To Get Involved

Contact Abbie in the Parish Office to do a Coordinator overview and see how you can lend a hand with weddings. This volunteer opportunity does have a small committee capacity but we can always train and wait for an opening to onboard new coordinators.
