

# HEALTHPALS

## Mission

Provide assistance to those with questions regarding health care, medical billing & insurance, medication adherence & reconciliation, accompany patients to appointments to listen and advocate, assist with scheduling outpatient procedures and appointments.

## Target audience

Parishioners! Helping others make better healthcare decisions for themselves by utilizing the right incentives and resources available.

## Volunteers

Current or retired nurses/healthcare workers  
Current or retired insurance specialists/ medical billers  
Any person who would like to help people make better healthcare decisions (non-proprietary)

## What are the Greatest Ministry needs

Volunteers. Anyone who has a passion for helping others navigate the healthcare processes. You can dedicate as little or as much time as you have to give to this ministry/committee.

## How to Get Involved

Contact Dr. Swartz and join their healthPALS mission! Working to support parishioners and helping your neighbors in these times.
