

# NURSING HOME MINISTRY

**Our Mission**
While embodying Christ's compassion and cultivating spaces where faith flourishes, we are dedicated to providing spiritual nourishment to senior living residents and establishing a Catholic community in which residents can participate in Mass.

**What We Do**
- On the first Friday of every month at 1:30 p.m., volunteers meet at one of three assisted living facilities in the Maumee area to celebrate Mass with the residents
- Volunteers bring communion to Catholic residents at assisted living facilities

**Who We Serve**
- Senior living residents in six local assisted living facilities: Blue Creek Healthcare, Heritage Village of Waterville, Lakes of Monclova, Maumee Pointe, Otterbein Senior Living, and StoryPoint

**Our Target Audience For Volunteers**
- The Friday Mass volunteer opportunity is great for people who enjoy engaging with seniors, have most Friday afternoons free, and are looking for a flexible, low-commitment way to serve
- Volunteers willing to bring Holy Communion to seniors must be trained Eucharistic Ministers and can choose to make a monthly commitment or serve as a substitute

**Our Ministry's Greatest Needs**
- Active volunteers
