

OFF THE STREETS TOLEDO

Our Mission
To help homeless people get Off the Streets.

What We Do
- Provide partial or full security deposits, furnishings, and basic home goods for people who don't have a home, but have a means to pay ongoing rent

- **Areas of Involvement:**

  - Warehouse Team - This team helps keep the warehouse organized, helps procure needed items, and identifies what items will be delivered to the neighbors we serve
  - Household Goods Team – The team organizes and creates cookware sets, tableware sets, sheet sets, and blanket sets
  - Delivery Captains - These team members drive the truck and lead deliveries on Saturdays
