

SMALL FAITH GROUPS

Our Mission
We desire to form a community of faithful Catholics at St. Joe's, striving to follow Jesus side by side with one another. To do this intentionally, we invite parishioners to join one of our Faith Sharing Small Groups that meet on a regular basis, in parishioner's homes or on the parish campus. Typically, groups consist of eight to twelve people.

What We Do
- Create a community of like-minded individuals who support each other in their faith journey through prayer, relationship, and accountability, while striving to grow closer to Jesus

Our Target Audience for Participants
- Any adult 18 and over looking to connect with a small group of faithful Catholics with varying group dynamics (co-ed or same sex, young adults, married couples, singles, etc.)

Our Target Audience For Facilitators
- Facilitators who can help host and/or organize a small group
- We can offer guidance and instruction along the way

How To Get Involved
- Contact Maggie Viertlbeck if you are interested in starting, facilitating, and or joining a small group
