

UNDER ONE ROOF FOOD PANTRY

Our Mission
The current Under One Roof Food Pantry began as an outreach project of the Women of St. Paul's organization over twenty years ago. Funded by the proceeds of the annual Christmas Auction, it was little more than a collection of canned goods housed in a basement closet in the church.

Today, the Under One Roof Food Pantry and Emergency Fund is a collaborative effort involving six Maumee area churches, community agencies, local merchants, schools, organizations, and private donors. These partners provide food, toiletries, household products, financial donations, and volunteers to equip and operate a handicapped accessible storefront on the grounds of St. Paul's Episcopal Church in Maumee.

What We Do
- Help individuals and families living paycheck to paycheck, those who can't make ends meet, and need a little assistance for a well-balanced meal

Our Target Audience for Volunteers
- People who can donate food to the Pantry, or volunteer hours

Our Greatest Needs
- Food donations
- Personal hygiene donations
- Extra Kroger PickUp Bags (durable for multi-use)

How To Get Involved
- Contact Deacon Denny & Sandy Scherger, or visit the Under One Roof Food Pantry website at stpaulsmaumee.org
