

USHER

Our Mission
The role of Usher has had a long history in the Catholic Church. Referred to as porters in the Third Century, Ushers used to guard the church doors against disruptive intruders. Today, Ushers serve the opposite function by welcoming parishioners and visitors to Mass. Ushers are ministers of hospitality and ensure people feel welcome. Ushers work in conjunction with greeters, who are present at all outside doors. Ushers greet people as they come into church and offer assistance as needed or help them find a seat.
