

WEDDING COORDINATOR

Our Mission
Wedding Coordinators support our couples who desire to get married at St. Joe's. We show hospitality and love to them as they prepare for the sacrament. Further, we strive to open hearts and minds to the Catholic faith by welcoming couples and guests.

What We Do
- Support engaged couples and their families when they come to our parish for wedding rehearsals and wedding Masses/ceremonies
- Guide the couple for the time they are on property for their wedding
- Some guests may not be Catholic, so we show hospitality and love to all who encounter our parish
- Support the presiding priest and/or deacon to ensure the wedding goes smoothly

Our Target Audience for Volunteers
- Physically-capable adults with strong, expressive speaking voices
- Able to manage groups of people when they come for wedding rehearsals and weddings

How To Get Involved
- Contact Abbie Spillis to meet for a Wedding Coordinator overview to learn more
- This ministry does have a volunteer capacity; however, we can always train and wait for an opening to onboard new coordinators

Ministry Point Person
Abbie Spillis, Director of HOME
