

**Monroe Country Day School
Enrollment for the 2026–2027 School Year**

Dear MCDS Families,

We are excited to announce that Monroe Country Day School will be moving to **rolling enrollment** for the 2026–2027 school year. This means your child will be **automatically re-enrolled** for the upcoming school year unless you notify us that you will not be returning.

Please note that students need to meet the yearly promotion requirements to qualify for enrollment in the next grade.

If your family does not plan to return to MCDS for the 2026–2027 school year, please complete the **Withdrawal Notification Jotform** ([Click Here](#)) **by February 27, 2026**. This helps us plan appropriately for staffing and classroom placements. Please note that withdrawing after February 27th will result in a Breach of Contract with financial penalties.

Returning students will receive a **Tentative Tuition Agreement**, which will include:

- The **reenrollment fee (To be paid by February 27th)**
- **Tuition** for the 2026–2027 school year
- **Tentative scholarship information** (if applicable)
 - You must meet the GASSO Requirements for the scholarship.
- The Tentative Tuition Agreement will be sent on December 17th.

Your **current payment plan** will automatically continue for the new school year. If you wish to make any changes to your payment plan, please contact the school office for assistance.

We would greatly appreciate your help! Please spread the word about our wonderful school. Share with your friends and family the great opportunities we offer. We also encourage you to post your comments on social media about how the school has positively impacted your family. Your support will help us recruit new families to join our community. Thank you!

We look forward to another wonderful year of learning and growth at MCDS!

Warm regards,

Dr. Christopher Ray
Assistant Director of School Operations
Monroe Country Day School
