## NEWS & NOTES

FROM FR. PETE JANKOWSKI Join Fr. Pete's mailing list at pjankowski@yahoo.com.

Now that we have been able to eradicate our \$330,000 debt at St.

Patrick's, we now are in a good position to work on the future health of both parishes I serve.

The first order of business at St. Patrick's was to create what I call a "Rainy Day" fund so that, if in the case of any emergencies we would have resources available to address those issues. Because of a charitable donation that fell in our laps. we now have that fund (much thanks to Business Manager Debby Absher for helping us set up this fund!). The other order of business was for us to change the "Reduce the Debt" envelopes to "Capital Improvement." Eventually, we will have to address the "non-glamorous" needs of the parish, such as tuckpointing our buildings, installing a generator for our church and rectory (we are thankful for the donation of a generator for our gym!), and upgrading the church parking lot while creating a parking lot for our gymnasium. Robert Piquet will soon be working on tearing down and rebuilding two sections of our sanctuary walls that were damaged by past rainstorms. We also cut down two trees that may have damaged our buildings had another bad storm hit us.

Finally, I ask you to consider helping us sell our 50/50 Progressive Raffle Tickets. We will draw the winning tickets on September 21; the more tickets we sell, the higher the grand prize and the more we help our church in the process.

I humbly thank all of you who understand what we are trying to do in helping out the parishes.

## When Life Becomes Lose-Lose

FR. JOSEPH JUKNIALIS

here is so often a cost to being a follower of Jesus, to doing the right thing. During our country's Civil War, southern plantation owners came face to face with the gospel's imperative to accept slaves as human beings who have the right to be free, though that would then bring about the collapse of the cotton economy. For them, it was live the gospel or save the economy. Sometimes, the gospel seems to put us in a lose-lose situation.

President Lyndon B. Johnson was confronted by the Vietnam War. By continuing a war he knew was unwinnable, it would cost human lives. If he ended the war, he would be labeled as the president who lost a war. For him, it was lose-lose. Do the right thing or save face. A person may be confronted by a job that demands unjust and immoral decisions when the refusal to make such decisions would cost that person the job necessary to support his or her family. A student may be faced with the prospect of either cheating or receiving a poor grade. Living the gospel is fraught with costs.

Today, our nation faces the difficulties of immigration. On the one hand, there is the gospel's command to love the poor and so to accept immigrants seeking to escape violence and terror and drought, conditions that make it impossible to live. On the other hand, there is the need for our nation to deal with uncontrolled migration. The question of "What would Jesus do?" is never without consequences. •

## Reflect-

How does following Jesus cost me in my life?

## Dear Padre,

Why is RCIA now called OCIA? And why do people have to go through that process anyway? Can't they just talk to the priest if they want to be Catholic?

The reason why Christian Initiation for Adults is now identified as the "Order" rather than the "Rite" is that the US Conference of Catholic Bishops (USCCB) changed the name in November 2021. The name change more accurately reflects the English translations of the Latin texts and emphasizes the ongoing development of participants in the faith. Within the Order are different rites, such as the Rite of Entrance to the Catechumenate, the Rite of Sending, the Rite of Election, the Scrutinies, and the Rites of Initiation.

Although it is still possible to become a baptized Catholic or a confirmed Catholic after a simple conversation with a priest or a catechist, the preferred way is the communal encounter. The Christian community plays an important role in calling us to faith, enabling our practice of the faith, and helping us persevere in our baptismal call to faith. We are not alone; we are part of the people of God. We are the community that is called into life by the Spirit of God and that is nourished by the Eucharist we share and the sacraments we celebrate. •

In Gaza...children, families, and elderly are reduced to starvation. In Myanmar, new hostilities have cut short innocent young lives. Finally, war-torn Ukraine awaits negotiations for a just and lasting peace.... We implore [Our Lady's] intercession for the gift of peace, for support and comfort for those who suffer.
