ST. ANNE'S PEW & CHURCH DEDICATION PROGRAM

The concept for our dedication program is simple - we are offering the opportunity to remember a loved one in a memorial dedicated for one of our church or chapel pews (\$2,500).

If you are interested in learning more about the dedication program, contact the parish office at phone ☎ (815) 427-8265 or email us at the address pjankowski@yahoo.com.

NEWS & NOTES

FROM FR. PETE JANKOWSKI

Join Fr. Pete's mailing list at

pjankowski@yahoo.com.

First of all, I wish to thank Frs. John Eustice & Jhobany Orduz, CSV for volunteering their time to celebrate Sunday Masses for us at both parishes. Because Frs. John & Jhobany's respective ministries focus on St. Viator High School in Arlington Heights, neither spent significant time at the parish level. That both of our clerics travel as much as they do for our benefit is a great blessing.

Second, there is a rule during a Church's Liturgical Year that when we are celebrating the thirty-four weeks that constitute "Ordinary Time" (in which we currently are praying), when a Solemnity or Holy Day falls on one of those Sundays, that celebration takes precedence over the normal Sunday in Ordinary Time. This year has been quite unusual, because many of these celebrations have taken place, from our celebrations of the Presentation of the Lord (February 2) the Solemnity of Ss. Peter & Paul (June 29) the Triumph of the Holy Cross (September 14) and even last week's celebration of All Souls' Day (November 2).

Today's **FEAST OF THE DEDICATION OF THE BASILICA OF ST. JOHN LATERAN** is the last of our unique Sundays in this particular liturgical year (the last Sunday of which will fall on November 23). Way back in 313 AD with Emperor Constantine's "Edict of Milan" (allowing religious tolerance for Catholicism to be practiced in the Roman Empire – this happens when someone's mother – St. Helena – converts to the faith and son Constantine converts to the faith himself around 311 AD), the good emperor's mother encouraged her son to erect a basilica in honor of the Catholic Church, named after both St. John the Baptist and St. John the Apostle.

For just under one-thousand years, the leaders of our Roman Catholic Church – our popes – lived at the Basilica of St. John Lateran and made their Church pronouncements on the "cathedra" (papal chair) in that basilica. Not until the popes were chased from Rome by opposing forces around 1309 AD did the popes serve Mother Church from this location. For a period of just over seventy-five years (1309-1376), the popes were protected in the city of Avignon France, where the papacy resided.

Around 1376, St. Catherine of Siena encouraged Pope Gregory XI to return to the "home base," so to speak, where the popes subsequently lived within the protection of the walls of St. Peter's Basilica and the one-hundred-twenty acres that rested within (which is now the smallest country of the world, Vatican City (established in 1929). This return did not come without hardship – the cardinals in Avignon resisted this move back to Rome – they chose to elect a *second* pope

distinct from the one in Rome. At this point, the "faithful" of the Church rejected the two elected popes and chose a *third* pope – there was a point in our history when *three distinct popes existed in the Catholic Church at the same time!!!* All of this was resolved in the Council of Constance (1414-1418), when the three popes were replaced by a newly elected one, Pope Martin V... and you thought the history of the Church today was crazy!

Currently, there are four major basilicas associated with Vatican City, which Pope Pius XI and Dictator Benito Mussolini declared sovereign entities of Vatican City when the "Lateran Treaty" of 1929 was established, making this small territory inside of Italy the smallest country in the world. The three other major basilicas associated with the Vatican are St. Peter's, St. Mary Major

and St. Paul's (outside the walls of Rome).

Much thanks to our young families who participated in our Rosary for Life on October 24, 2025 at St. Patrick's Church!

Let's Go On Pilgrimage Together!

Dear brothers and sisters in faith, it is with great joy that we extend a cordial invitation to you to participate in our Jubilee Year Pilgrimage, where we can gain a plenary indulgence. It will be an encounter of faith, hope and spiritual renewal.

Saturday – November 15, 2025 from 5:00 – 7:00 p.m.

We will leave from the Bishop McNamara Parking Lot (Kankakee Site) and walk to St. Joseph Church (Bradley)

Activities:

- Rosary on the Way
- Bilingual Mass at St. Joseph's Church (Bradley)
- Moments of Adoration & Silence
- Spiritual Devotion to Renew the Heart

Recommendations:

- Bring Water, a Hat and Sunscreen
- Wear comfortable Clothing and Appropriate Footwear
- Bring a candle or Image to Offer at the Sanctuary
- Above all, Bring a Heart! Willing to Encounter God!

This will be a day dedicated to prayer, reflection and fraternal communion. We will walk together as a community, strengthening our bonds with God and with one another, guided by the love and light of Mary Most Holy. Come and walk with us in this experience of faith!

"The one who walks with God never walks alone."

The Body of Christ on Parade

FR. JOSEPH JUKNIALIS

Singing together during the distribution of holy Communion is one way of expressing the reality that we are one in the Eucharist, the Body of Christ. I once was taught to pray quietly during this time. If I'm honest, however, what I find myself doing after I return to my pew is watching others process past as they return from receiving Communion. They are a parade of holiness on the way. They are the longtime parishioners who have been making their way back to their pews in this way for decades—some now using walkers or canes, others with a bit of a slow hobble. There are teenagers, too. Some, from the expressions on their faces, look like their parents made them come, while others look

impressively prayerful. Young parents, too, caring for a new baby in their arms, and another couple holding a two-year-old's hand as he tugs to escape and be free. And middle-aged single people, now halfway through this life's journey. Young couples, as well, those just married or engaged and so obviously in love, but also widows and widowers longing for the love they once knew. All of these are the body of Christ, the very temple of God built upon the foundation that is Christ Jesus, as Paul notes so well. This is why I watch them processing back to their pews. This, too, is prayer. ●

Reflect

How do I pray after I've received holy Communion?

Do you not know that you are the temple of God, and that the Spirit of God dwells in you?

1 CORINTHIANS 3:16

Dear Padre,

Should the pope get involved in American politics?

No, the pope should not get involved in the politics of any country. However, politics often intersects with religious concerns and particularly gospel values. When this occurs, the Holy Father has a responsibility to preach the gospel and defend the values the gospel teaches, even when it might sound political. He pronounces and teaches the values of the gospel, regardless of what nation or politician might feel confronted or challenged by what he teaches.

What often happens is, when politicians find themselves in conflict with the gospel values the pope is teaching, they choose to say, “The pope has no business in our politics,” instead of listening. Completely understandable, at least from one perspective, but probably also disingenuous from another perspective. Politicians are fully aware of what is being proclaimed and why it is being proclaimed but choose not to listen. That, too, is completely understandable, if regrettable. One has to think only of the scribes and the Pharisees, and more particularly the high priest, who said, “Consider that it is better for you that one man should die instead of the people, so that the whole nation may not perish” (John 11:50). ●

A WORD FROM POPE LEO XIV

Because of the Jewish roots of Christianity, all Christians have a special relationship with Judaism.... The theological dialogue between Christians and Jews remains ever important and close to my heart. Even in these difficult times, marked by conflicts and misunderstandings, it is necessary to continue the momentum of this precious dialogue of ours.

9 Noviembre 2014: La Dedicación de la Basílica de San Juan Letrán

TRADICIONES DE NUESTRA FE Hoy celebramos la memoria de la Iglesia madre de la cristiandad. Por extraña coincidencia, no está en Jerusalén donde nació la Iglesia, tampoco es la Basílica de San Pedro en el Vaticano, donde está el sepulcro (o la tumba) de san Pedro. Esta iglesia es la Basílica que está dedicada a la memoria del Divino Salvador, a san Juan Bautista y a san Juan Evangelista. Fue la primera basílica consagrada en el año 324 al culto cristiano en Roma. De allí ha tenido una larga trayectoria, y aunque es la catedral del obispo de Roma, el Papa se trasladó al Vaticano en 1377, luego de que el papado estuvo durante un período de 100 años en Francia. Al recordar la consagración de la Basílica de Letrán no debemos olvidar lo que dice san Pablo: "Cada uno de nosotros somos un templo del Espíritu Santo" (1 Corintios 6: 19). En un sueño, Inocencio III vio que Letrán estaba por caerse, pero san Francisco pudo sostenerla en pie. Ojalá que cada vez que nosotros estemos por caer, llegue alguien que nos pueda sostener como templos de Dios. -Fray Gilberto Cavazos-Glз, OFM, Copyright © J. S. Paluch Co.
