

ANGEL TREE NEEDS FOR GOOD SHEPHERD MANOR

Hi Fr. Pete! Thanks so much for doing this for the guys!

I indicated below whether the request was for a house or Special Olympics or CDS (Community Day Services). If it works for your Giving Tree, you could write the name of the house or program on each tag and ask parishioners to leave the tag attached when they return their gifts. That would make it easier for us to get each gift to the right house, etc. Please let me know if that's doable. However, we're more than happy to sort the gifts here if that's easier for you!

Gloves
Giant Uno
Red x 7 - **Winter hat**
X Large x 7 -**Underwear**

Below are the Amazon links. I am requesting 2 of each item. They will go to Herbstritt and Helen McAllister.
