The Rev. James L. Naughtin, CSV
St. Anne Church
234 N. Sixth Avenue
St. Anne, Illinois

Dear Father Naughtin:

It was with pleasure that I learned of your plans to have a pictorial directory for St. Anne Parish in St. Anne. This will help you to know your people better, and it will help the people of your parish to know each other better. If we are to recognize the fact that we belong to a Christian community and that in a parish we are a basic family unit in the Catholic Church, then it is logical for us to take steps to act more and more like members of the same family. Knowing each other better, we will love each other more, and loving each other more, we will try to help each other in all of our needs, both spiritual and temporal.

As the spiritual father of our diocesan family, I take this opportunity to extend to you and to all the members of St. Anne Parish cordial greetings and my blessing.

Sincerely yours in Christ,

+ Romeo Blanchette

Bishop of Joliet

HIGHLIGHTS OF ST. ANNE PARISH HISTORY

St. Anne parish has had a long and varied history. We will not try to cover the entire period. The church was built in 1872. It is well built with native stone.

One of the most notable events of its history was the starting of the Annual Shrine Novena in 1881. A Missionary priest preaches a full nine day Novena annually. Large numbers come from distant places on July 26th each year.

Father Z. P. Berard was pastor here from 1886 to 1932. It was during his long tenure as pastor that St. Anne obtained her most spectacular answer to prayer. It might be best here to quote directly from a letter received by Father Naughtin from a Nun formerly stationed in St. Anne. In 1962 she wrote from Montreal Canada the following:

"It is true that I knew Matilda Anne Cunnea, because she made a Novena of thanksgiving every year during the thirteen years I spent there. However, I was not in St. Anne at the time of the miracle. I knew very little about her cure,

One of the Sisters from New York, who was then a young girl of about sixteen, was an eye witness of the cure. She tells me that she saw Miss Cunnea arrive from Chicago on the train accompanied by her father, who carried her in his arms and placed her in her wheel chair. She was a young girl of about eighteen years old, (other sources list her as 22). Sister says that Miss Cunnea made the Novena and on the Feast of St. Anne when all the pilgrims from out of town left, she did not leave, but remained on the church grounds with some members of her family and a few of the parishioners of St. Anne, of which Sister and her brother were of the number. Miss Cunnea was crying because of her disappointment at not being cured so they decided to bring her back into the church and ask Father Berard, Pastor at the time to apply the relic on her legs. He did and just about fifteen minutes afterwards she walked and came down the steps of the sacristy and walked into the yard. The people cried with joy. From then on she was perfectly cured."

St. Anne is now a typical thriving small town parish, with the usual financial problems which accompany the operation of a parochial school. The present enrollment is 135. It is operated efficiently by three Springfield, Illinois Dominican Sisters and one lay teacher. About 25 of our students ride the bus to Kankakee daily to attend Bishop McNamara High School. Ten of these are listed on the current Honor Roll. We have reason to be proud of the Catholic Activities of our young Knights of Columbus Council founded early in 1961. It now lists 125 members. Other active groups in the parish include the St. Anne Altar Sodality, Academy Mothers Club and last but not least the Legion of Mary, which worked so hard as a group with the parish census to make this Directory possible.

We especially regret that we failed to get pictures of the Confraternity of Christian Doctrine teachers for both the public grade and high school classes. Also we failed to photograph our forty grade and thirty high school altar boys.

We express our gratitude to all who have cooperated with parish activities and now wish to thank all who had sittings so that this booklet would be representative of our parish. We hope it will bring you closer to one another as a means of drawing you closer to God. God bless you.
