

VOLUNTEER

PARTNERS IN PLAY

Investing in the people who make cricket possible.

Every smiling child has someone behind them.

...is someone who gives their time.

A coach who *teaches*.

A manager who *encourages*.

A volunteer who *believes*.

Every week, dozens of volunteers quietly make Wests Junior possible.

They don't volunteer for recognition.

They volunteer because they believe every child deserves the opportunity to play, grow and belong.

As a Volunteer Partner in Play, your business helps us support, recognise and develop these remarkable people.

TOGETHER, WE'RE INVESTING IN THE PEOPLE WHO BUILD STRONGER COMMUNITIES.

INVESTING IN PEOPLE

Every partnership helps volunteers feel
equipped, supported, recognised and inspired.
That's how we create better experiences
for every child, every season.

“

Great clubs
don't happen
by accident.

*They happen
because people
give their time.*

”

EQUIP

Professional uniforms
and practical
resources help our
volunteers feel
prepared and proud
to represent Wests.

DEVELOP

Training, education
and mentoring
build confidence
and give volunteers
the skills to make
a bigger impact.

SUPPORT

Wellbeing initiatives
and a connected
community ensure
volunteers feel
supported in their
role and in life.

RECOGNISE

Recognising and
celebrating
volunteers shows
our gratitude and
encourages
continued
involvement.

GROW

Developing future
leaders ensures
our club continues
to grow stronger,
season after
season.
