

FCA Elementary Being Kind

God created man
in His own image.
Genesis 1:27

Bible Story

The Bible is full of stories of Jesus being kind to others. Some examples are:

- Jesus helped the woman at the well. She was different than others and no one wanted to be her friend. Jesus showed her love and compassion when others were unkind. (John 4:1-26)
- Jesus healed the 10 lepers. Leprosy was a skin disease and if you had it, you were considered unclean. No one could be around them. Jesus was happy to be with them and healed them. (Luke 17:12-19)
- Jesus was kind and healed a blind man. Jesus did not treat him differently and showed him love as He healed his vision. (John 9:1-8)
- Jesus was kind to a tax collector called Zacchaeus. Zacchaeus was a thief and a sinner. Jesus treated him with love and forgave him. (Luke 19:1-10)
- Jesus showed compassion to those who were sick. He healed a woman who had been bleeding for 12 years. Blood was considered unclean and others would not help her. Jesus loved her and healed her. (Luke 8:40-48)
- Jesus died on the cross for those who were different. He died for us because He loved us and to save us from our sins. He did not treat us as sinners and He showed us love. (Matthew 27:45-54)

We have kids in our school who are different. They may look or act different. They may have health issues or social issues. They may not know how to act or make friends. Some kids are smart and some struggle with school. Can you imagine how hard this may be for a kid who is different?

God loves these kids like He loves you. As you hear the above stories, did God ever say, "I won't help or love you because you are different?"

God loves everyone. We are to love others also.
