Revealed Glory

The Word became flesh and dwelt among us. We observed His Glory, the glory as the one and only Son from the Father, full of grace and truth. John 1:14

Key Idea

I'm created for God's glory, not chasing my glory.

Workout: God's Glory Revealed

What is God's glory? We have learned about God's glory and how, as our Father, He desires us to glorify Him and not ourselves. Our God did not hide away His glory in Scripture or keep it all to Himself in Heaven. God decided to show us His true and ultimate glory by sending His Son, Jesus, to earth.

In our Scripture for today, John writes that "the Word became flesh." What is "the Word?"

The Bible is the truth of who God is. It is how we learn and grow closer to Him, and it's how we first discovered the glory of God. "What is flesh?"

If we put it together, that God's Word became human, who might this human be that John is referring to?

We need to know Jesus represents God's glory here on earth. As we talk more about what Jesus did here on earth, we will see that God's glory is even better than we thought.

Workout: God's Glory Received

God did not send Jesus to earth just to showcase His glory but to provide us a way to live with God's glory forever.

How might we live with God forever? We can live with God forever by understanding and believing that Jesus came to earth, lived a perfect life, and died so our sins could be forgiven and we could be brought back to God. All humans sin, and sin separates us from the glory of God. God sent His Son, Jesus, to wash away our sins. God's full glory is available and waiting if we repent and believe in Him.

What does it mean to repent? Repent means to confess our sins to God and ask Him to forgive us. We sin daily. God gives us grace and will forgive our sins when we confess our sins to Him.

"We have also obtained access through Him by faith into this grace in which we stand, and we boast in the hope of the glory of God." Romans 5:2

Workout: God's Glory Reconciles

We have the opportunity to have complete access to God. All of God's glory is available to us if we choose to have a relationship with Him. While we are here on earth, we have access to talk with God whenever we desire, but when we choose to have a relationship with Him, we get a never ending relationship with our Creator in Heaven. We will be brought back to His glory and will get to fully see and experience what life is like without sin.

This does not mean while we are still here on earth, we just sit and wait. Once we have a relationship with God, the Holy Spirit draws us closer to Him each day. This is where our pursuit of God lets us share His goodness with those around us, and that's our job while we are here on earth.
