August 2026 | Volume 9

This month highlights VASO's continued transition from innovation to delivery. With manufacturing commencing, strategic appointments, project approvals and growing industry engagement, we are strengthening the foundations for innovation to create lasting economic, social and environmental impact. We hope you enjoy this edition and invite you to join us on our journey.

Successful Planning Application

A significant step forward for community-led housing, planning approval for the Closeburn development brings Nith Valley LEAF Trust, South of Scotland Community Housing and VASO closer to delivering innovative, sustainable homes for local residents.

BE-ST Fest '26

Having been inspired by BE-ST Fest over the past few years, we're excited to play a bigger role in 2026 as a sponsor and exhibitor.
