November, 2025 | Volume 02

Welcome to the 2nd edition of the VASO by Eco newsletter! This isn't just another update – it's your front row seat to transformational innovation and driving change. We're excited to share the latest developments. While we didn't take home the Circular Economy award at the recent BE-ST Accelerate to Zero Awards, being a finalist was an honour and a testament to our vision.

Progress with Purpose: VASO by Eco and Community Housing

We're delighted to share updates on our collaboration with Nith Valley Leaf Trust and South of Scotland Community Housing. Together, we're advancing plans for innovative housing—bringing circular design and community-led development closer to reality. Discover how this project is shaping a new model for rural living.

New Home for VASO Production

We're thrilled to announce that we have secured new premises dedicated to VASO manufacturing. This milestone paves the way for creating up to 70 jobs and tackling the housing crisis with industrialised construction. It's a major step towards scaling impact and delivering sustainable solutions for the built environment.

Housing and Workforce Questionnaire

The housing crisis reduces affordable living options, making it harder to attract and retain staff. Long commutes and housing stress lower employee satisfaction and productivity. We want to understand if this issue is affecting your organisation, [please scan the QR code to complete our questionnaire.](#)
