# **Call for Abstracts**

Application deadline: 12 January 2022

This is a Call for Abstracts. An application is required in order to present at the RJ4All International Conference 2022. Successful applicants will secure a place to present in one of the workshops. Please fill out the below form and read carefully the theme description. If wishing to apply for a bursary to attend the event as an international participant, a separate application will need to be completed.

<b>Full name</b>	
<b>Organisation</b>	
<b>Occupation</b>	
<b>Date submitted</b>	
<b>Title</b>	<i>Please give a title to your presentation</i>
<b>Abstract</b>	<i>Please describe in no more than 200 words the content of your presentation; if it is based on a new research/ doctoral thesis etc. Please ensure that the content falls within one of the conference themes.</i>

**Theme of the 2022 conference:**

It is about time that we stop hiding behind screens and start meeting real people again! This conference aims to do just that by reuniting cultures, minds and hearts through the values of restorative justice.

The world has experienced one of the most devastating pandemics, causing multiple consequences for our health, social justice and educational systems. As we get to grips with COVID19's aftermath and how we can support our communities in the years to come, this international conference brings together some of the world's leaders to **provide evidence-based solutions on four key overlapping challenges:**

- ***Gender-based violence in the context of young people***
- ***Mental health, restorative art and violence***
- ***Migrants' integration and community cohesion***
- ***Racism, anti-Semitism and hate crimes.***

The bridge that connects all these challenges is our proposed evidence-based solutions that draw from the values and practices of restorative justice. This two-day conference will present the findings from three Erasmus+ projects that we have been running for over two years with several European partners. It will also present cutting-edge research by scholars from across the world in the format of workshops and plenaries. The results of the conference will be published in the form of an e-book by [RJ4All Publications](#).
