

Promoting a Safe Use of Internet Against Cyberbullying Newsletter #2

Welcome to the SIAC project newsletter.

In this issue you will find:

- State-of-the-art of the **SIAC project**
- Second **project meeting** in Spain
- Completion of the **e-course** contents
- **Training** event in the UK
- **Publications**

For more information, check out project [website](#), our [Facebook](#) page, or write to us at: admin@siacproject.org

The project is now in its 16th month, and a lot has been going on behind the scenes. Partners have been working on the finalisation of the e-course contents and at the same time have been developing the framework for the transfer of the course to the online platform.

We are excited about the forthcoming publication of the e-course, which we will advertise through our channels.

A second transnational project meeting will be held in Spain on 6th April 2022 while a training event will be held in London on 14, 15 and 16 June 2022.

Stay tuned!

Second Project Meeting in Spain

The second transnational project meeting will be held in Spain, in the city of Aljaraque (Huelva) on 6th April 2022, hosted by [Inercia Digital](#).

The meeting will be a chance for partners to discuss about the project implementation, and plan the activities for the remaining months of the project, in particular the finalisation of the e-learning platform and the development of the e-book.

Completion of the e-course contents

After several months of work, the contents for the e-course have been finalised and will be publicly available for fruition.

The course, addressed to professionals working with youths in formal or informal contexts, is made up of 5 modules, divided as follows:

Module 1: **Knowledge about the Phenomenon of Cyberbullying**

Module 2: **Prevention**

Module 3: **Intervention**

Module 4: **Restorative Justice**

Module 5: **Best practices**

Training event in the UK

We are excited to announce that we will be holding an international training event in London on 14-15-16 June 2022.

The event will be hosted by [Kairos Europe](#) and it will be attended by members of staff from the participating organisations.

The training will focus on the topics of the project, in particular:

- Understanding online dangers and applying online safety and security measures
- Recognising the signs of cyberbullying
- Cyberbullying and LGBTQI
- Cyberbullying prevention strategies
- Building positive relationships

PUBLICATIONS

In case you missed it before, below you can find links to our latest publications related project

Safe Internet Against Cyberbullying (SIAC). LGBTI discrimination and the current state of art in the UK, Spain, Malta and Italy.

This e-book summarises the current state of the art in relation to cyberbullying, legal initiatives and best practice in the UK, Malta, Spain and Italy. It highlights the significance of the issue as well as the gaps in addressing it.
