AN AGENCY PARTNERSHIP takes your commitment to AFH’s mission to End the HIV Epidemic in Houston to the next level. It allows us to elevate your contribution throughout the year beyond a single event or program. This strengthens our relationship and your dedication to the communities that we serve through your generosity and brand awareness. As an Agency Partner, you are listed as an Underwriter at your contribution level and provided event/program benefits, per the benefit matrix for each, AND included in everything that we do throughout the year.
