This event also provides a significant opportunity to contribute to the Children's STEAM Playlab essential mission of nurturing creativity and innovation among young learners. Your participation will help inspire the dreams and aspirations of the next generation, ensuring they have the necessary resources and support to excel in STEAM fields.

#### Highlights of the Evening Include:

- **Silent and Live Auctions:** Bid on exciting items and experiences to support our cause.
- **Annual Campaign:** Join our initiative to enhance critical infrastructure within our facility, including restrooms and offices. Our goal is to unite 1,000 individuals to contribute \$500 or more. Last year, we successfully launched this initiative at our annual Gala, raising over \$25,000 for the project.
