GentIT™ Insulin Syringe

Metier Medical manufactures a full range of Insulin Syringes to match a variety of clinical needs. Our state-of-the-art manufacturing process assures products of consistently high quality that also meet the most rigorous clinical requirements.

Features:

- Quality compared to national leading brands
- Easy-to-read information on each side of the box
- Needles are made with surgical steel
- Triple-bevel cut for a sharper point
- Thin wall cannulas for an easier flow
- Electro-polished to remove burrs for a smoother injection
- Film coated for maximum comfort
