WORK TO RULE

Die SAOU NK Provinisiale Uitvoerende Raad (PUR) het tydens 'n sigvergadering op 5 Maart 2025 besluit om die *Work to Rule* arbeidsaksie met onmiddellike effek te staak.

Die besluit om die arbeidsaksie te staak is nie ligtelik geneem nie en faktore vanoor die hele spektrum is in ag geneem. Die PUR het deeglike oorweging geskenk aan die mandaat vraelys wat op 11 Februarie 2025 uitgestuur is en tot die slotsom gekom dat die aantal response (394) daarop nie as verteenwoordigend geag kan word nie. Die PUR het ook verneem dat skole nie die *Work to Rule* ten volle toepas nie en gevalle is aangeteken waar skole net sekere aspekte toegepas het – soos bv. om nie departementele vergaderings by te woon nie, maar steeds buitemuurse bedrywighede aanbied.

In die lig van bogenoemde is die PUR van mening dat die arbeidsaksie uitgedien is.

WORK TO RULE

The SAOU NC Provincial Executive Council (PEC) has decided to end the Work to Rule labour action with immediate effect during a meeting held on 5 March 2025.

The decision was certainly not taken lightly and the PEC considered a number of relevant factors. After thorough consideration it was decided that the responses on the requested mandate (394) were not representative enough. The PEC further took cognisance of the fact that a substantial number of members did not engage in the Work to Rule entirely and rather chose on which aspects to focus. As an example, the PEC noted that members chose not to attend departmental meetings, but at the same time engaged in extra mural activities.

In light of the above, the PEC is of the opinion that the Work to Rule labour action has run its course and is not relevant anymore.
