LAST DAYS OF SUMMER

I remember earlier this month when my sister was visiting with her family, we were at the beach and my mother lamented that it was the last days of summer, for she loves the warmer weather and beach days. I agreed since it is time for the seasons to change. I am still unpacking the graces of my vacation in the upper-peninsula of Michigan with a couple of priest friends, but the sights we saw were wonderful. See some of the photos below!

Faith Formation is under way, OCIA begins once more, School for LaPorte is in full swing, my position as Chaplain at Marquette High School starts. Yes, truly the days of summer are ending as the daylight has been getting shorter and the air begins to cool. The warmth is still with us until the middle of October for sure, but Fall is truly one of my favorite seasons. I appreciate the changing of the trees and plants, chillier weather, wearing coats, hoodies, and clothing that won't make me sweat.

But it is a time to appreciate all that has happened in these last months. Our nation celebrated its 250 year anniversary and was consecrated to the Sacred Heart of Jesus on June 12. I celebrated my one-year anniversary as a priest. We had the change of our pastors from Fr. Nate to Fr. Roque and his transition to Holy Family has been excellent! I think a lot of people are warming up to his joyful personality and love for God. We've seen our Young Adult group really take off with weekly meetings. The Collars (Priests) destroyed the Scholars (seminarians) in this the annual softball game. Many of our teen parishioners have graduated high school! Pope Leo released his first encyclical with the topic on AI. Our diocese had its second Emmaus

Aug 30th, 2026 | 22nd Sunday of Ordinary Time

Conference where many of the faithful gathered to worship and grow in discipleship.

Among many other things, including all the many summer events here at LaPorte like all the festivals, music nights, 4th of July parade, and everyone being on Pine Lake, Summer is a busy time in LaPorte. It makes me excited for the new school year and to run the race again to next summer. But we can take our time because, as it is no secret to some of you, I am happy to have the cold again.

We certainly shall cherish some of these memories but remember also that Summer will return once again. We give God thanks for all that's happened, both good and bad because all is gift from Him, including those challenges this summer that called us to trust in Him all the more.

I want to especially invite you to come out to our **Mass in the Park on September 13 at Fox Park**. We usually have this mass during the middle of Summer, but we wanted to move it so that it wasn't as scorching hot as last time. Not only that, but it is the mass that Fr. Roque will be installed officially by Bishop McClory as our pastor. We should show our appreciation for him and come out. Plus, there will be good food, games, and a last hurrah to celebrate the end of Summer. I cannot think of a better time to say goodbye to this warm season than with one last festival. It is our LaPorte special, we love our festivals!

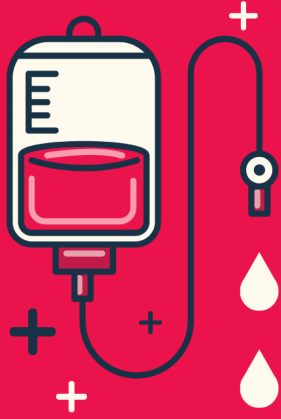

In Christ Jesus,
Fr. Alex

APPLIED SUICIDE INTERVENTION SKILLS TRAINING (ASIST)

What Does ASIST Offer?

LivingWorks ASIST is a two-day, two-trainer, workshop designed for members of all caregiving groups. Family, friends, and other community members may be the first to talk with a person at risk, but have little or no training. ASIST can also provide those in formal helping roles with professional development to ensure that they are prepared to provide suicide first aid help as part of the care they provide. The emphasis is on teaching suicide first aid to help a person at risk stay safe and seek further help as needed. Participants learn to use a suicide intervention model to identify persons with thoughts of suicide, seek a shared understanding of reasons for dying and living, develop a

safe plan based upon a review of risk, be prepared to do follow-up, and become involved in suicide-safer community networks. The learning process is based on adult learning principles and highly participatory. Graduated skills development occurs through mini-lectures, facilitated discussions, group simulations, and role plays.
