AuctionsPlus

How to Register and Bid on AuctionsPlus

1

Go to www.auctionsplus.com.au to register at least 48 hours before the sale.

2

Select “**Sign Up**” in the top right hand corner.

3

Fill out your name, mobile number, email address and create a password.

4

Go to your emails and confirm the account.

5

Return to AuctionsPlus and log in.

6

Select “**Dashboard**” and then select “**Request Approval to Buy**”.

7

Fill in buyer details and once completed go back to Dashboard.

8

Complete buyer induction module (approx. 30 minutes).

9

AuctionsPlus will email you to let you know that your account has been approved.

10

Log in on sale day and connect to auction.

11

Bid using the two-step process – unlock the bid button and bid at that price.

12

If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

SALE INFORMATION

Buyers: All lots will be sold via live auction at the Wagga Wagga Livestock Marketing Centre. The sale will be interfaced with AuctionsPlus. All potential buyers please note a Buyer's number system will be in operation at the Sale, therefore all purchasers MUST register prior to the commencement of the sale, either with the selling agents or online with Auctions-Plus.

Any outside agents introduced in writing 24 hours prior to the sale will be eligible for a 2% outside agents rebate.

Inspections: All animals have been independently vet inspected on-farm. Bulls have been assessed for overall structural and breeding soundness and deemed free of any visible fault or deformity. All bulls will have a scrotal circumference recorded which will be identified on the supplementary sheet. All female lots have been examined for pregnancy status and reproductive soundness. Any changes to pregnancy status will be identified on the supplementary sheet. The supplementary sheet will be made available on the AuctionsPlus sale listing prior to the start of the sale and at the sale venue.

Herd health: All animals listed for sale are tested as pestivirus PI-negative. All animals listed are from herds that are a minimum of J-BAS score 6. Please refer to stud vendor listing for herd J-BAS scores.

Genetic lots: Please note, all genetic lot packages will be sold on a per straw/embryo basis.

Transfers: The transfer of animals on the NLIS database will be handled by the selling agents H. Francis & Co. Purchasers of registered animals that wish to have them transferred to their membership will need to provide details on their buyer instruction slip.

Insurance: Purchases become the responsibility of the successful buyer at the close of the auction. While all care will be taken by the vendors, it is recommended all buyers insure their purchases through their preferred insurer. The team at H. Francis & Co will have an insurance representative in attendance to assist with arranging insurance for your purchases.

Transport & Delivery: All live lots will be available for delivery at the conclusion of the sale. Various live-stock carriers will be available. Delivery of genetic lots will need to be arranged with the vendor post-sale.

**Scan QR code to view updated
sale listing on AuctionsPlus.**

LOT 1

TICKALARA TARANTINO T8^{SV}

VENDOR: TICKALARA ANGUS

ANGUS

Ident: EVG22T8

Register: HBR

DOB: 24/02/2022

Poll: POLLED

Colour: BLACK

Genetic Conditions:

AMFU,CAFU,DDFU,NHFU

Sire: YAMBA BEAST Q147

Dam: TICKALARA P12

Tarantino is the type of bull we love to breed here at Tickalara. He is a well-made, easy-doing bull, with sire appeal and presence to boot. An earlier maturing type of bull who is set to pass on his good nature and type, Tarantino will be an asset to the program he joins!

TICKALARA DON QUIXOTE T19^{PV}

VENDOR: TICKALARA ANGUS

ANGUS

Ident: EVG22T19

Register: HBR

DOB: 30/07/2022

Poll: POLLED

Colour: BLACK

Genetic Conditions:

AMFU,CAFU,DDFU,NHFU

Sire: MILLAH MURRAH QUIXOTE Q96

Dam: TICKALARA M15

Tickalara Don Quixote is by the prolific Millah Murrah Quixote sire who is a complete outcross sire to our program. Tickalara Don Quixote is a different style to our other entry - he is a later maturing and larger framed sire, but is still good structured, sound on his feet, and well put together!

LOT 48 HOLLYCOTT TOP IT OFF (AI)(ET)(P)(Speckled)

VENDOR: HOLLYCOTT SPECKLE PARKS

SPECKLE PARK

Ident: HOT T17

Register: REGISTERED

DOB: 26/11/2022

Poll: HOMOZYGOUS POLLED

Colour: SPECKLED

Genetic Conditions:

RGF (ED/ED), NT821C, Leptin C/T

Sire: SPKNZ EXTREME E27 (ET)(P)(WHITE)

Dam: DOUBLE L 3M FINISH 2 E14 (ET)(P)(SPECKLED)

Here's a bull with a real sire's outlook with plenty of added length and extension who you really need to see to admire in person. Top It Off exhibits a moderate maturity pattern and is a bull who will put added frame and growth into his calves. Smooth through the shoulders, he moves around on a great set of feet and legs and has a nice strong top with plenty of carcass. Bred from some of the most highly regarded and prolific cow families in the breed, we expect T17 to be a valuable addition to any stud or commercial programme, and have retained straws for our own use. Tick blooded.

Sire: AAA WALKER FRONTLINE M24

(AI)(ET)(WHITE)

Dam: WATTLE GROVE 38W CRICKET H119

(AI)(ET)(P)(BLACK)

Trailblazer is a wonderful example of the Speckle Park breed and is phenotypically ideal for the commercial beef producer. Bred from a proven performance cow who is still breeding at 12 years of age and out of one of the best footed sires the breed has to offer, T08 is bound to prove a valuable long term investment for his prospective buyer. He gets around on a fantastic set of feet and legs, displays excellent growth and scrotal development for age, and has an attractive soft and easy fleshing muscle pattern. A pasture raised bull who's quiet demeanour and experience around dogs and electric fences would make him a pleasure for anyone to work with. For commercial buyers looking to add carcass quality and early finishing ability to their calves, this bull is a must.

VENDOR: HOLLYCOTT SPECKLE PARKS

SPECKLE PARK

**Ident:** HOT T07**Register:** REGISTERED**DOB:** 30/10/2022**Poll:** HOMOZYGOUS POLLED**Colour:** SPECKLED**Genetic Conditions:** RDF (ED/ED), NT821F, Leptin T/T**Sire:** MOVIN ZPOTZ DART 37D (P)(LEOPARD)**Dam:** SIX STAR PHO-FINISH N85

(AI)(ET)(SPECKLED)

Hollycott Take Aim is a soggy moderate frame bull ideal for use over heifers or dairy herds. His low birth-weight and short gestation make him an ideal selection for breeders looking for peace of mind at calving time. T07's softness and added shape will add value to commercial offspring and his early maturity pattern will allow calves to be turned off earlier resulting in faster return on investment. A bull with near perfect feet, legs and testicles, who we expect to breed on and reward his prospective purchaser for years to come.

Genetic Conditions:

RDC(ED/e), NT821F, Leptin C/C

Sire: AAA MOSES J7 (AI)(ET)(P)(SPECKLED)

Dam: AAA L6 (AI)(ET)(P)(LEOPARD)

Hollycott Tell Me A Story displays all the phenotypical attributes that we admire and aim to achieve in our herd. He is a bull that has shown outstanding early growth and feed conversion ability, and is the WPD leader amongst his drop. He carries his added length with ease and is smooth through the shoulders with lovely neck extension and a true sires head. A highly fertile bull with excellent testicular development that we used lightly as a yearling with great success. T12 is a soggy bull who will add weight and yield to his calves and would be an ideal sire selection for breeders looking to turn off heavy vealers. An absolute pleasure to work with and handle. Straws retained for in stud use.

LOT 68 MADER NIGHT SHIFT 63K

VENDOR: GOLDSTAR GENETICS

SIMMENTAL

**Ident:** IMCPX8065**DOB:** 12/01/2022**Poll:** HOMOZYGOUS POLLED**Colour:** HOMOZYGOUS BLACK**Register:** BLACK SIMMENTAL**Sire:** RF SHAKEDOWN 074H (P)(B)**Dam:** MADER SUGAR CANE 48C (P)(B)

Offering 10 straws in this exciting new Canadian Sire. Nightshift is a bull that demands a look! A homo black, homo poll sire we secured the Australia Rights to when he made \$100,000. A true sire that is backed by a proven pedigree and if that is not enough he was crowned the Legends of the Fall All Breeds Champion at Farmfair, Champion Simmental and Reserve Champion All Breeds Presidents Choice at Agribition. We at Goldstar selected Nightshift for his overall thickness and length of body and his real sire outlook. Ryley Mader has said the Nightshift calves are standouts in his herd with a average birthweight of 36Kg and is a real trait leader in weaning weight. High carcass figures round out Night Shift's attributes.
