

Role Plays/Improv

#1-**Kourtney and Annie** Meet with Average Joe to introduce and discuss the NP program. Assume Joe has been visiting his child at the program for 3-4 weeks and now you want to help him understand the goals of the parenting program during visits and overcome any objections/concerns he may have

#2- **Lakila and Jennifer** Meet with Average Joe to explain and administer the AAPI assessment. Help clarify the purpose of the AAPI and how it will inform and assist the process. Overcome any objections and concerns he may have, and model the first 5-6 statements of the assessment

#3. **Jade and Tracy** Meet with Joe to discuss the results of the AAPI and develop part of a Family Nurturing Plan, which involves explaining the curriculum and choosing courses collaboratively

#4. **Julie and Brandy** Teach a portion of lesson 6.2 (1-4) from the curriculum to Joe

#5. **Marilexis, Lawrnece, and Emely** Supervise a visit with Joe, model some nurtureventions that could potentially happen during SV

#6. **Kawame and Neshaune** Meet with Joe after the visit to process
