

Benefits of DogWatch:

USE FEWER BATTERIES

- Less waste for a greener, cleaner planet
- Fewer batteries saves you money

NO SERVICE CALL REQUIRED

- Can change the battery yourself

SAFE FOR YOUR PET AND LANDFILLS

- Lead-free
- Compliant with the Reduction of Hazardous Substances initiative

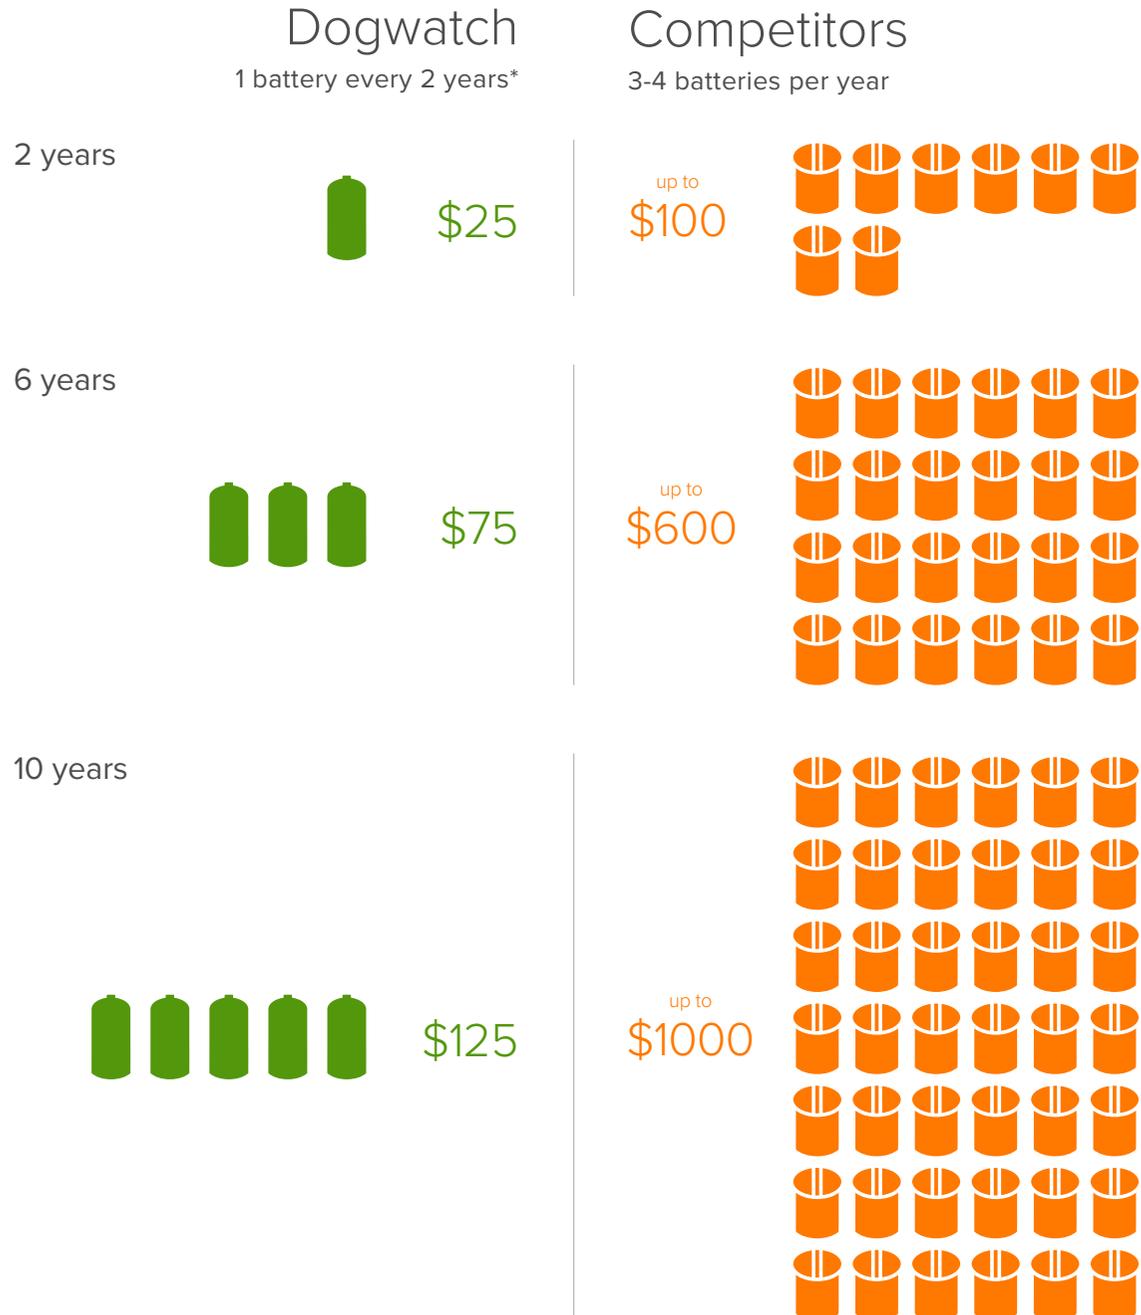

HIGH EFFICIENCY POWER:

- Complies with California Energy Commission specifications
- Meets Department of Energy requirements
- Environmental Protection Agency Energy Star Standards

When the battery runs out, guess who else runs out?

TYPICAL BATTERY USE AND COST

*typical battery life and cost for the R9 receiver models
