Overhead Yearly Sign (4'x8') Contract

I understand by signing this contract, I will provide a 4ft x 8ft sign, made of weather approved material (aluminum is preferred for durability), which will be hung in the arena area of the Attica Rodeo Grounds.

I understand the sign will be hung in the weather and I am responsible for all upkeep of the sign (example: natural wear and tear, weather-related storms, unless otherwise notified).

I understand the 2027 arena sign sponsorship is \$500 and the price may change from year to year.

I understand the sign sponsorship alone does not include free entry to attend the annual rodeo.

Please return the completed contract and payment by 4/30/2027 to:
