

Team,

Thank you for your faithful prayers!

Thank you for praying for Steve. He was such a blessing last week as he shared about apologetics.

Please pray for YWAM Boston as they are coming up to minister this week. They will be leading us in worship and sharing their presentation called Encounter. Please pray for all who come. We have invited parents to stay as well.

Please continue to pray for us as we ramp up for a very busy summer of ministry. Both Boy's and Girl's Adventure Camps are full to capacity. Please pray for us as we prepare for these camps. Boy's Camp is July 4–10, and Girls Camp is July 18–24. Also, please pray for the Soccer Camp outreach the week in between the adventure camps. Our teens will be helping the Temple, TX Team with Soccer Camp. We are excited to see how God is going to move this summer.

Praise God! Abby from Temple, TX is going to stay after Soccer Camp and help as our fourth woman for Girl's Adventure Camp, and God has also brought our fifth woman, Charis, to pour into the 18 girls coming. The women just had a zoom meeting today. They are going to be an amazing team, &v such an answer to prayer.

Blessings,
Dave
