## Wood Fencing

We are among the top wood fence and gates companies servicing all of Mason, Pierce and Kitsap County. Here at Northwest Fencing, it's important for us to give five-star service to each and every one of our clients. We always use top quality materials and pass along fair prices to our customers. Our wood fencing and gates are built to last.

### *Chain Link*

Chain link fences cannot be destroyed by pests or rot. Chain link does not attract dirt and debris, and it never needs painting or staining. Other than occasionally sweeping off leaves and cobwebs, there is little that you need to do to maintain a chain link fence.

# Vinyl Fencing

MADE IN THE USA  
Our vinyl fencing has been  
manufactured in Utah since 2004,  
which means you get high  
performance materials backed by  
an American company.
