Fulton Sheen Beatification – September 24th

The Church declared Fulton Sheen "Blessed" which is the step before his canonization to Sainthood. He was such a model for us, a confessor of the faith, his intellectual wattage and confessor of the faith poured out over the airwaves back in the 50's. Some of us remember his television show "Life is worth living". He had the ability to take the timeless truths of the faith and present them in an extraordinary accessible, colorful way. He preached many foreign missions throughout the world. When asked what motivated him, and gave him the tireless energy, he pointed to the Eucharist, as he prayed a "Holy Hour" in front of the Blessed Sacrament every day.

Blessed Bishop Sheen "Pray for us".

West Allis, WI 53214

Dear Father Carcar,

On behalf of the West Allis-West Milwaukee Recreation & Community Services Department, we would like to thank your congregation and parishioners for the generous donation of school supplies we received.

The supplies we received were distributed to students across our nine elementary schools. These supplies help to ensure that all students, regardless of socioeconomic status or barriers, are equipped with the necessary tools for learning and prepared to be successful in the classroom. The thoughtfulness and generosity of your congregation is greatly appreciated and is to be recognized and celebrated.

We would also like to extend a special thank you to the Human Concerns Committee and Toni Liddy for their time, efforts, and energy in organizing the supplies drive.

Thanks for making the 6th Annual Cuts for Kids event a success and we can't wait until next year! Please extend our gratitude and appreciation to your entire congregation.

Sincerely,

Letter Regarding the Food Pantry

St. Barnabas Food Pantry

September is Hunger Action Month so this is an appropriate month to support the Food Pantry at St. Barnabas. As Director of Services, I lead a group of dedicated volunteers who work in the Food Pantry at St. Barnabas. We serve the Lord by feeding the hungry. It's not a social service. It's a ministry because we do this in Jesus' name as his people reaching out to our neighbors in need.

Our Food Pantry works on the choice system. We arrange the boxes and cans on the tables in the old school cafeteria. We fill a beverage cooler with milk and juice. We arrange the cheese, yogurt, and other perishable on cold trays on the kitchen counter. We fill our coolers with meats and other frozen food. One by one, the people take a grocery cart and go shopping. We do not simply hand out bags of pre-selected items which they may or may not be able to use. In this way, we respect the dignity of each person who comes to us for what they need to feed themselves and their families.

Our goal is to provide healthy food choices. We prioritize fresh fruits and vegetables, dairy and whole grain bread and cereal. Yes, we get snacks and we put them out, but we are also aware that many of those who come are diabetic, have food allergies, or other medical conditions. We try to supply what they can use.

Our Food Pantry is more than a place to get free groceries. It is a place to encounter the mercy and compassion of God as we welcome each person with courtesy and non-judgmental kindness: no matter how scruffy, no matter how disgruntled or how resentful or embarrassed that they have to go to a Food Pantry for what they cannot afford to buy. Each person who comes carries the image of God and each one deserves respect for that alone.

We are open Tuesdays and Fridays from 1 to 3 pm. People wait outside until we open our doors at 12:30. They come inside, check in, and take a seat. Unless, of course, the weather is bad. If it's too hot or too cold to be safe outdoors. Or if it's raining. Then we let them in and they sit indoors chatting with each other until it's time to check in.

This summer we surprised them with root beer floats. The strain of coping with the heat and humidity was replaced with smiles and relaxation while they waited their turn to get groceries. This winter we will surprise them once again with hot soups made in our kitchen. In this way we offer hospitality, again in Jesus' name.

Who are the neighbors in need who come to us? They have this in common: they need groceries they cannot afford to buy. Families with children. Parents who work but don't earn enough to pay all the bills. Individuals too. Veterans of our many wars. Homeless men and, yes, women, some with children. Seniors trying to live on social security. People with chronic health conditions. As a nation, we no longer have a functioning safety net, so they come to us.

We have all been there, needing help we couldn't always afford and we found that help from family, friends, and community. Now it's our turn to be that family, be those friends, be that community of believers.

The people who come to us are grateful that we are there to help. Most express gratitude and many say "God bless you" to us. And we are blessed by doing what Jesus asks us to do. And it's not just us who work in the Food Pantry. It's all the people who buy and bring groceries. It's all the people who bring in the fruits and vegetables from their gardens. And it's all the parishes that have a sharing Sunday which provides food and funds for this ministry. You also, by what you are doing today, receive a blessing. For we are, all of us, disciples of Jesus who love the Lord and care about our neighbors in his name.

On their behalf, thank you and may our Lord bless you this day and all days.

Sharon Huizenga, Director of Services at St. Barnabas

Carta relativa al banco de alimentos

Despensa de Alimentos de San Bernabé

Septiembre es el Mes de Acción Contra el Hambre, por lo que este es un momento oportuno para apoyar a la Despensa de Alimentos de San Bernabé. Como Directora de Servicios, dirijo a un grupo de voluntarios dedicados que trabajan en la despensa. Servimos al Señor alimentando al hambriento. Esto no es un servicio social; es un ministerio, porque lo hacemos en el nombre de Jesús como su pueblo, extendiendo la mano a nuestros vecinos necesitados.

Nuestra despensa de alimentos funciona bajo el sistema de elección. Acomodamos las cajas y latas sobre las mesas en la cafetería de la antigua escuela. Llenamos una hielera con leche y jugo. Disponemos el queso, el yogur y otros productos perecederos en bandejas frías sobre el mostrador de la cocina. Llenamos nuestras hieleras con carnes y otros alimentos congelados. Una a una, las personas toman un carrito de compras y van a seleccionar sus productos. No nos limitamos a entregar bolsas de artículos preseleccionados que tal vez puedan o no utilizar. De esta manera, respetamos la dignidad de cada persona que acude a nosotros por lo que necesita para alimentarse a sí misma y a su familia.

Nuestro objetivo es proporcionar opciones de alimentos saludables. Priorizamos las frutas y verduras frescas, los lácteos, y los panes y cereales de grano entero. Sí, recibimos golosinas y las ponemos a disposición, pero también somos conscientes de que muchas de las personas que vienen padecen diabetes, alergias alimentarias u otras condiciones médicas. Intentamos suministrar lo que puedan consumir.

Nuestra despensa de alimentos es más que un lugar para conseguir comida gratis. Es un espacio para encontrar la misericordia y la compasión de Dios al dar la bienvenida a cada persona con cortesía y amabilidad, sin juzgar: no importa cuán desaliñada esté, cuán descontenta, ni cuán resentida o avergonzada se sienta por tener que recurrir a una despensa de alimentos para obtener lo que no puede comprar. Cada persona que viene lleva la imagen de Dios y solo por eso merece respeto.

Abrimos los martes y viernes de 1:00 a 3:00 p. m. La gente espera afuera hasta que abrimos las puertas a las 12:30. Entran, se registran y toman asiento. A menos, por supuesto, que el clima esté difícil: si hace demasiado calor o demasiado frío para estar seguro al aire libre, o si está lloviendo, los dejamos entrar y se sientan en el interior a conversar entre ellos hasta que sea el momento de registrarse.

Este verano los sorprendimos con *root beer floats* (helado de flotador con refresco). La tensión provocada por el calor y la humedad dio paso a sonrisas y relajación mientras esperaban su turno para recibir sus provisiones. Este invierno los volveremos a sorprender con sopas calientes preparadas en nuestra cocina. De esta manera ofrecemos hospitalidad, nuevamente en el nombre de Jesús.

¿Quiénes son los vecinos necesitados que vienen a nosotros? Tienen esto en común: necesitan alimentos que no pueden pagar. Familias con niños. Padres que trabajan pero no ganan lo suficiente para pagar todas las cuentas. También personas individuales. Veteranos de nuestras múltiples guerras. Hombres e incluso mujeres en situación de calle, algunas de ellas con niños. Adultos mayores que intentan sobrevivir con el Seguro Social. Personas con enfermedades crónicas. Como nación, ya no contamos con una red de contención social funcional, por lo que acuden a nosotros.

Todos hemos pasado por momentos en los que necesitamos ayuda que no siempre podíamos costear, y encontramos ese apoyo en la familia, los amigos y la comunidad. Ahora es nuestro turno de ser esa familia, esos amigos y esa comunidad de creyentes.

Las personas que acuden a nosotros están agradecidas de que estemos allí para ayudar. La mayoría expresa su gratitud y muchos nos dicen «Dios los bendiga». Nosotros nos sentimos bendecidos al hacer lo que Jesús nos pide. Y no solo trabajamos quienes estamos en la despensa de alimentos; también son todas las personas que compran y traen víveres, quienes traen frutas y verduras de sus huertos, y todas las parroquias que organizan un domingo de compartir para aportar alimentos y fondos a este ministerio. Ustedes también, con lo que están haciendo hoy, reciben una bendición. Porque todos nosotros somos discípulos de Jesús que aman al Señor y se preocupan por sus vecinos en su nombre.

En nombre de ellos, gracias y que nuestro Señor los bendiga hoy y siempre.

Sharon Huizenga, Directora de Servicios de San Bernabé
