CLERGY CORNER

By Deacon Steve Pemper

"They recognized Jesus"

The disciples in the Gospel were heading in the opposite direction of Jerusalem, hopeless and confused. Jesus approached them and they become enlightened and are transformed in his presence. We hear that they immediately returned back to spread the good news with courage and conviction. Do we recognize Jesus in our times of doubt and sadness, knowing that he is always present to us in our lives.

Following both Masses on Sunday, April 26th at the Holy Assumption site, the West Allis Knights of Columbus will be stationed at the Church entrances to request donations for their annual 'Tootsie Roll Drive' to support West Allis Special Olympics and The Arise Program. Both programs assist individuals with intellectual disabilities.

The KC's are good benefactors of our parish. Please be generous in their annual drive.

Volunteers Wanted for Catechism!

Our parish is seeking generous individuals who wish to share their faith and serve our community as volunteers in our catechism program, in both **English** and **Spanish**.

No prior experience is necessary—only a willing heart, a love for God, and a desire to accompany children and families in their spiritual growth.

We need help with:

- Catechists
- Class Assistants
- Support for activities and events

Volunteering is a beautiful opportunity to grow in faith, build community, and make a difference in the lives of our children.

If you are interested or would like more information, Please contact Ann Marie Gonzalez Sein

No es necesario tener experiencia previa—solo un corazón dispuesto, amor por Dios y el deseo de acompañar a niños y familias en su crecimiento espiritual.

Necesitamos ayuda en:

- Catequistas
- Asistentes de clase
- Apoyo en actividades y eventos

Ser voluntario es una hermosa oportunidad para crecer en la fe, formar comunidad y hacer una diferencia en la vida de nuestros niños.

Events in Our Parish and Community

We joyfully congratulate all those who received the Sacrament of Confirmation this past week. May the Holy Spirit guide and strengthen you as you continue to grow in faith and live as witnesses of Christ. We also extend our sincere thanks to the families, sponsors, and Deacon Terry and Becky who supported them on this journey of faith.

Nos alegramos y felicitamos a todas las personas que la semana pasada recibieron el Sacramento de la Confirmación. Que el Espíritu Santo los dirija y los fortalezca mientras siguen creciendo en la fe y viviendo como testigos de Cristo. Además, queremos expresar nuestra gratitud a las familias y los padrinos, así como al Diácono Terry y a Becky, que los han acompañado en este recorrido de fe. — Ann Marie Gonzalez Sein

Bible 101: Introduction to the Bible

Do you wish you knew more about the Bible? Have you been wanting to deepen your faith but aren't sure where to begin? You are not alone!

In this 6-week study, we'll learn about the Bible's structure, explore its various themes and writing styles, and learn how to interpret the Bible within the Catholic tradition. We'll also explore how to choose a Bible and how to navigate its contents. Whether you are new to the Bible or are an experienced user who could use a refresher, this study is for you!

Led by Fr. Gerardo Carcar, Fr. Dick Robinson, and Dcn. Terry Starns, we'll discover that you don't need a degree in Theology to have a better understanding of the Bible!

Begins Tuesday, April 14th!

Tuesdays from 6:30-800pm at Holy Assumption

(Can't attend all sessions? That's okay! Join us when you can!)

STUDY GUIDE PROVIDED!

Please register using the sign-up sheets at the back of the church or by contacting Ginger Ryback at gingerryback@sbcglobal.net or (414) 588-2702

St. Barnabas' Annual

Rummage Sale

Thursday, September 17th 10:00 to 5:00

Friday, September 18th 10:00 to 6:00

Saturday, September 19th 10:00 to 3:00

Please consider donating your items and time to make this a great sale and raise funds for our parish. We will also have a bakery and snack bar, which many people loved and took advantage of in past years. We are looking for household items, toys, books, décor, jewelry, collectibles, sport and yard items and much more.

We need your clean but unneeded items for our rummage. Your trash can be our treasure. We received many wonderful items last year, thank you for your generosity. Unfortunately, we can't take everything. If it won't fit in a car we won't be able to take it. So please, no mattresses, old TV's or very large or very heavy items. The buyers need to be able to get their purchases home and we will need to move the items into and around the gym.

Anyone who has helped with the sale in the past knows how much work and time goes into setting up and running the rummage. Please mark these dates on your calendars and plan on helping with donations, set-up and take down, working the sale and bringing bakery items.

I will give you more information as it gets closer, for where help is needed and times help is needed before the sale for drop offs.

Thank you for your continued help for the parish.

Ten Tips for Protecting Children and Offering Outreach to Victims/Survivors

1 **Sexual abuse is about the victim.**

Many people are affected by abuse but the individual most impacted is the victim who has suffered a violation of trust that can affect his or her entire life.

2 **The residual effects of having been abused can last a lifetime.**

The sense of violation goes deep into a person's psyche and feelings of anger, shame, hurt and betrayal can build long after the abuse has taken place. Those who have been abused can heal, but it often takes time, therapy, and the support of loved ones.

3 **No one has the right to have access to children.**

No one, no matter who they are, has an automatic right to be around children or young people who are in the care of the Church without proper screening and without following the rules.

4 **Common sense is not all that common.**

Dioceses, schools, parishes, and especially families, must educate themselves and others on how to protect children.

5 **Child sexual abuse can be prevented.**

It is critical to build safety barriers around children and young people to keep them from harm—such as protective guardians, codes of conduct, background evaluations, policies and procedures, and safety training programs.

6 **Feeling heard leads toward healing.**

Relief from hurt and anger often comes when one feels heard, when one's pain

and concerns are taken seriously, and a victim/survivor's suffering, pain, and anger are acknowledged.

7 **You cannot always predict who will be an abuser.**

Experience shows that most abuse is committed by someone who has gained the trust of a victim/survivor and his/her family.

8 **There are behavioral warning signs of child abusers.**

Some abusers isolate a potential victim by giving him or her undue attention or lavish gifts, others allow young people to participate in activities which their parents or guardians would not approve, such as watching pornography, drinking alcohol, using drugs, and excessive touching, such as wrestling and tickling.

9 **People can be taught to identify grooming behavior.**

Grooming behaviors are the actions which abusers take to project the image that they are kind, generous, caring people, while their intent is to lure a minor into an inappropriate relationship. Offenders can be patient and may groom their victim, his or her family, or community for years.

10 **Background checks are important.**

Background checks in churches, schools and other organizations keep predators away from children both because they scare off some predators and because they uncover past actions which should ban an adult from working or volunteering with children.

Diez Consejos para Proteger a los Niños y Ofrecer Asistencia a las Víctimas / Sobrevivientes

1 El abuso sexual es sobre la víctima.

Muchas personas son afectadas por el abuso, pero el individuo más afectado es la víctima que ha sufrido una violación de confianza que puede afectar toda su vida.

2 Los efectos de haber sido abusado pueden durar toda la vida.

El sentido de violación entra muy profundo en la mentalidad de una persona y los sentimientos de enojo, vergüenza, dolor y traición pueden acumularse mucho después de que el abuso haya ocurrido. Los que han sufrido abusos pueden ser curados, pero aún tomará tiempo, terapia y el apoyo de sus seres queridos.

3 Nadie tiene derecho a tener acceso a niños.

Nadie, sin importar quiénes son, tiene el derecho automático de estar alrededor de niños o jóvenes que están bajo el cuidado de la Iglesia sin una evaluación adecuada y sin seguir las reglas.

4 El sentido común no es tan común.

Las diócesis, las escuelas, las parroquias, y especialmente las familias, deben educarse ellos mismos y a otras personas sobre cómo proteger a los niños.

5 El abuso sexual infantil puede ser prevenido.

Es fundamental construir barreras de seguridad alrededor de los niños y los jóvenes para protegerlos del peligro. Es importante tener tutores para proteger a menores, al igual el uso de códigos de conducta, las evaluaciones de antecedentes, las pólizas y los procedimientos, y los programas de entrenamiento sobre la seguridad.

6 Sentir que le están escuchando conduce a la curación.

El alivio del dolor y el enojo llega cuando se sienten escuchados, cuando el dolor y

las preocupaciones se toman en serio, y el sufrimiento, el dolor, y el enojo de una víctima / sobreviviente son reconocidos.

7 No siempre se puede predecir quién será un abusador.

La experiencia demuestra que la mayoría de los abusos son cometidos por alguien que se ha ganado la confianza de una víctima / sobreviviente y su familia.

8 Hay señales de advertencia de comportamiento en abusadores de niños.

Algunos abusadores aíslan a una víctima potencial prestándole mucha atención o regalos lujosos, otros permiten que los jóvenes participen en actividades que sus padres o tutores no aprobarían, como ver pornografía, beber alcohol, usar drogas, y tocar en exceso, como actividades físicas y cosquillas.

9 A las personas se les puede enseñar a identificar el comportamiento de aseó.

Los comportamientos de aseó son acciones que los abusadores toman para proyectar un imagen que son amables, generosos, gente cariñosa, mientras que su intención es atraer a un menor de edad en un relación inapropiado. Los ofensores pueden ser pacientes, y usar estas acciones con la víctima, sus familias, o comunidad durante años.

10 Las verificaciones de antecedentes son importantes.

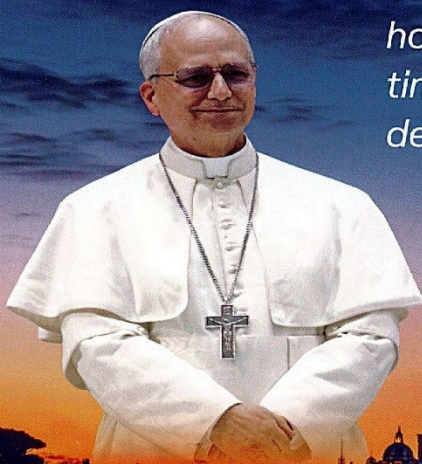

La verificación de antecedentes en iglesias, escuelas y otras organizaciones mantiene a los depredadores alejados de los niños, por que los asustan y porque también descubren acciones pasadas que deberían prohibir que un adulto de trabajar o ser voluntario con niños.
