

Harmonious Couples (8/16/25)

John & Jessica, that musical married couple, have an interest in couples that perform together, not surprisingly. This week, they play records made by many of the couples, listed below. You can probably think of more that are not on the list, as I did. On my list of omissions are Steve & Eydie, Sonny & Cher, and Ozzie & Harriet (they recorded together with Ozzie Nelson & His Orchestra). Send us your ideas. We may end up making a follow-up episode.
