

High Standards (8/23/25)

As John and Jessica watch the sky over the lake slowly turn from summer toward fall, they play their usual assortment of songs, mostly from the American Songbook. This week's program features three songs by Jimmy McHugh and several other standards of the jazz and pop repertoire composed by such all-stars as Harold Arlen, Jule Stein, Frank Loesser, Hoagy Carmichael, George Gershwin, Duke Ellington and more.
