

Standards Time (11/4/23)

John & Jessica celebrate this weekend, when we go back to standard time, by playing the “standards.” Of course they do that every week, but this gives us an obvious new reason to do it. We’ll hear standards by artists of old (like Hoagy, Mel, and Ella) and by artists of late (like Samara, Emmet, and Nikki—all born in the 90s) and many others in between. Enjoy your November; may it be deluxe!
