Artists and Icons (11/11/23)
Here's how the game is played: The radio host (usually Jessica) names an artist that is popular among Radio Deluxe listeners. The contestants (you and John) then try to name the artist's most iconic song. The host then reveals the song she thinks is (or wishes were, or is her favorite) iconic song by the artist. If a contestant's answer matches the host's answer, the contestant wins! Every winner, or loser or non-contestant, then gets to listen to the song! It's that simple.
