TO HELP YOU UNDERSTAND

It is your right and our desire that you have as much information as possible regarding the cost of services that we offer. The most significant factors determining cost is the time spent by our personnel and the use of funeral home facilities. Personnel and facilities must be available 24 hours a day, every day of the year. Much of what we do is apparent, and some is not. Traditions, social customs, personal feelings, tastes, and a multitude of other factors affect each funeral. Our services must conform to each family's personal wishes and religious, emotional and financial needs.

Our fixed overhead expenses are our monthly bills totaled for the year and divided by the number of services planned each year and based on the type of service we provide. Our overhead expenses include taxes, employee salaries, building maintenance, capital improvements, stationery supplies, advertising & promotions, utilities, heat, telephone, electricity, yard maintenance, and insurance – fire, theft, liability, automobile, casualty, and workman's compensation.

Meeting with the family to secure vital statistic information, obtain physician's signature, file the death certificate with the registrar of vital statistics in the municipality where the death occurred, obtaining permits for burial or cremation, and obtaining as many certified copies of the death certificate as necessary for the family's needs. Obtaining obituary information and transmitting that information to all newspapers requested by the family. Complete all necessary forms for selected services such as: Veterans Benefits, Social Security forms, and Insurance Claims.

Coordinate times of the following services as needed: the clergy, cemetery, crematory, fraternal lodges or other organizations, military honors and others responsible for the final disposition of the deceased. Oversee all aspects of the funeral including conducting the funeral service according to the family's wishes, staff available to supervise the funeral service and / or visitation, give out funeral information to family, associates, florists and friends, use of chapel or equipment for church service as needed, and arranging and care of flowers for best appearance. Complete cost, depreciation, maintenance and operation for our hearses, limousines, sedans, and other vehicles needed for the families we serve.

In the event you wish to question any area of our service, you may contact us at your convenience. If any of your questions or complaints cannot be resolved, you may also contact:

Second Order: Processing fee is \$149.00 plus the additional cost of death certificates per state fees.

Newspaper notices: The local newspaper provides for a paid obituary which may include biographical information, survivors, service information, memorial contribution information, and a photograph. We will also be glad to place obituaries in out-of-town newspapers at your request. These newspapers may have a charge, which will be billed to the family.

Some other cash advance items are police escorts, flowers, crematory fees, additional transportation, catering, lodging, honorariums and other products and services.

PRE-ARRANGEMENT & PRE-PAID FUNERAL PLANS

Allen Dave Funeral Homes & Crematorium offers two types of pre-arrangement plans. You may prepay for the services in advance which freezes the cost on the items you selected. The cost will never change. You may also pre-arrange the services you desire before the death takes place and not pay anything in advance. In this case the cost may change in the future.

OUR PAYMENT POLICY

To lose someone you love is a devastating human experience. It can be traumatic and seriously impact one's judgment. Therefore, it is important to be realistic with respect to funeral expenditure. We do not want your choices to be more than is affordable nor less than you would like to arrange. What is important is that arrangements are kept within your wishes and budget. We believe in the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs.
